Supervisors Approve Construction Of Road To Sanitary Landfill

The Board of Supervisors of Appomattox County, meeting in regular session on Friday, May 11th, adopted the following resolution as presented by T. E. Pittman, Resident Engineer Virginia Department of Highways:

RESOLVED: That the State Highway Department is hereby requested to add to the county secondary road system for construction and maintenance, a road leading to Appomattox County Sanitary Landfill, which was found to render public service as follows:

Beginning at a point on Route 632, 0.50 miles northeast of intersection Route 639 and running southeast 0.13 mile to a dead end (right of way - 50 foot).

Be it further resolved that the Board guarantee a minimum unrestricted 50 foot right of way with additional widths as may be necessary for cuts, fills and drainage, with easements for drainage on adjacent properties.

Bill Slagle reported to the board that Billy Milton Ferguson has been hired as packer-truck operator for the county landfill.

Dr. J. B. Kinlaw, Director of Appomattox County Health Department, and Fred Keesee appeared before the board to discuss dental care for low income families in the county. They ask that Appomattox County and Campbell County purchase a mobile dental unit, cost $22,000 with the local share amounting to $1,148. The cost of a dentist and a dental assistant would be $24,000 for the first year with the local share being $1,200.

No action was taken by the Board of Supervisors at this time.

Mrs. Webb Babcock of Appomattox and Dr. Robert Gardner of Lynchburg, representing the Central Virginia Mental Health and Mental Retardation Services, came before the board to request that the county increase its contributions for the proposed program. The board heard their request but felt it could take no action at this time.

Warren Taylor, County Forester, was authorized by the board to aero spray 42 acres of hardwood timber for the control of undergrowth on Pine-seeded area at the County Poor House Farm at the rate of $12.50 per acre.

A motion was made and carried that the $16,000 plus tax from the Appomattox County School Budget present-

Red Cross Fund Receipts Below Goal

Contributions turned in to date from the March Red Cross Fund Campaign total $1,414.64 according to Chapter Chairman, William A. Hunter. This is much below the fund goal of $2,000.00. One-half of funds collected are retained by the local chapter and the balance remitted to the National Red Cross Chapter for use in its many relief activities. The local chapter has also been assigned a goal of $137.00 in the National Disaster Relief Campaign to bring emergency relief to thousands affected by the Mississippi River floods.

Chairman Hunter urges all who have not contributed to send in donation to help those in need.

Town purchases Equipment

The Town of Appomattox has purchased a backhoe loader, a tamping device and bleachers for the Appomattox Ball Park with $12,839.00 of the Town's portion of the 1972 Revenue Sharing allotment.

The backhoe is shown above working on water and sewer lines at the intersection of Patricia Ann Lane and North Avenue.

"Future monies will probably be spent toward water and sewer improvements to better serve the community.

Board Votes To Conduct Kindergarten Registration

New Bridge Open To Traffic

The picture above shows a view of the new two-lane bridge from Confederate Boulevard on Highway No. 635 now open to traffic. It is quite an improvement over the old one-lane bridge that has been in use for many, many years.

The bridge was completed on Wednesday, May 16th, but some work is yet to be done on the entrances to the bridges on both sides. All the construction will be complete in the near future.

Personnel Approved For Sessions

Members of the Appomattox County School Board approved the conducting of a registration for public school kindergarten to begin in the Fall of 1973 when they met in regular session on Friday, May 11th, at 7:00 p.m. in the School Board Office.

In a survey recently conducted, according to Eugene Peyton, Superintendent of Schools, there were 98 responses and it is most likely that more will respond with the actual registration.

For the 1973-74 school session, prior to the completion of the new county high school, plans are for a portion of the kindergarden children to attend Pamplin Elementary School and the others to attend kindergarten at the old Oakville school building. It was pointed out that the old Oakville school building would be the most suitable place availabe for temporary quarters for kindergarten in the public school as it has good play area, lunchroom and rest room facilities and can be made very attractive.

If results of the registration indicate sufficient enrollment the board plans to make the kindergarten available and requires one who's five school session begins in the fall of 1973.

Peyton reported that an application for additional Literary Loan funds had been denied.

He further reported to the board that the Board Supervisors of this county had met on Friday and had informed him that the request for an expansion on the greenhouse at the new high school had not been approved by the supervisors. The plans for the greenhouse are to stay as originally presented.

Frank Chuchek, Administrative Assistant, reported that the new high school building is a little over one-third complete. The masonary work is one-half complete now and should be completed by August 1st.

In accordance with the Standards of Quality requirements, the board approved the appointment of two committees, and Advisory Committee and a Placement Committee, for the 1973-74 school session to

Future Employment With Thomasville

In last week's issue of the TIMES-VIRGINIAN, it was reported that persons interested in employment with Thomasville Furniture Industries should contact Mr. Roger S. Redman, Personnel Manager, or Mr. J. A. Smith, President of Appomattox County Development Corporation.

It has been requested that persons interested in employment NOT contact J. A. Smith but contact Mr. Roger S. Redman, Central Personnel Office, Thomasville Furniture Industries, Inc., Thomasville, N.C. 27360.

Mr. Redman is interested in hearing from potential employees and is accumulating a file of applications. However, it is important that everyone realize that employment in some months away.

Over 1,000 Banjo Pickers Registered For Competition

The National Banjo Championship has registered over one thousand Banjo Pickers, Bluegrass, Old Time Bands and Gospel Groups on May 26th, 27th and 28th, Memorial Day week end for competition at historic Appomattox Court House.

Thousands of out-of-state tourist and music lovers are expected to attend the 3-day outing and cheer their favorites to championship. The musicians will be competing for gold trophies, cash prizes and S.M.A. Certificates of Performance degrees. The Banjo Champion will probably get over $5,000.00 in cash and the Gold Banjo Trophy to take home.

The festival is sponsored by the String Music Association (S.M.A.) a non-profit organization. Fifty percent of the gate receipts, $5.00 per day, less expenses are awarded to the musicians in competition and half of this goes to the winning Banjo Picker.

S.M.A. is inviting the non-professional musicans to register for the program and competition by writing S.M.A., P. O. Box 8068 Roanoke, Virginia. 24014.

Republican Mass Meeting

There will be a mass meeting of the Appomattox County Republican Party held at the Court House Thursday, May 24 at 7:30 p.m.

The meeting is being held to select delegates and alternate delegates to the State Republican Convention for the nomination of Governor, Lt. Governor, and Attorney General. The delegation will also be eligible to nominate a candidate for the Virginia State Senate to serve our district.

PAMPLIN FIREMEN SPONSOR DANCE

The Pamplin Volunteer Fire Department will sponsor a round and square dance on Saturday, May 19th, from 9:00 p.m. until 12:00 midnight. The dance will be held at the Pamplin Fire House.

Music will be furnished by H. T. Nash and The Virginians. The public is invited to attend.

Participated In Regional 3 Track Meet

Two members of the Varsity Track Team participated in the Regional III Track Meet on Friday of last week, having qualified at the Seminole District Track Meet held at Lynchburg College two week ago.

Pictured above, from left to right, are Paris Lenon, Assistant Coach; Phillip Goode, Billy Guthrie, and George Blanton, Coach. Goode qualified to participate in State competion to be held in Blacksburg on Saturday.

During the track season, Goode contributed 49 points and Guthrie contributed 51 points. Both these boys have contributed to the track team by adding leadership and talent, according to the coaching staff, and will be missed next year.

Goode, a senior at ACHS, plans to enter Livingstone College in Salisbury, North Carolina on a football scholarship in the fall. Guthrie, also a senior at ACHS, will attend the University of North Carolina on a football scholarship.

The track team has been a total success this season, says the coaching staff, and they look forward to a good year next season.
